

To: Employees of Primus Telecommunications Group, Incorporated

I am pleased to update all of you on the status of the Primus-Arbinet merger transaction and integration planning process. Primus and Arbinet have each scheduled respective stockholder meetings to be held February 25, 2011 to approve the merger transaction. Upon obtaining stockholder approvals, we expect to close this transaction on or about February 28, 2011.

With the anticipation of closing, teams from both companies have been working together to effectively plan integration of the companies so we will be in a position to be well prepared going forward. I have selected John Melick to run the combined Wholesale Group to be renamed PTGi International Carrier Services (ICS). It is also important to move forward and name some of the Senior Leadership Team to be part of the combined company.

To that end, I am pleased to announce that Chris Hill will become the new General Counsel for PTGi, reporting to me. Will Carter will become SVP, Engineering, Development, and Operations, reporting to Tom Mazerski, President of US Retail and Network Services. Brian Troesch will become VP, Marketing, Product Management and Business Development, reporting to John Melick. Tracy Lawson will also join PTGi as Vice President - Controller and report to Jim Keeley, Interim Chief Financial Officer.

Shawn O'Donnell, President and CEO of Arbinet, will not join PTGi, but has agreed to assist the senior leadership and myself in ensuring that we implement a smooth transition during post-close integration. I want to thank Shawn and his entire team for their continued support and teamwork in making Arbinet an integral part of the PTGi family of companies.

Please note these announcements are subject to the anticipated merger transaction closing. Attached is a preliminary organizational chart that only reflects these announcements. Once the organizational structure is completed, a more detailed organizational chart will be shared.
