The shares of Common Stock reported herein were acquired in open-market transactions occurring from January 8, 2014 and through January 14, 2014 for an aggregate of \$3,712,656.94 and were purchased using working capital of the private investment funds advised by DG Capital.

Item 4. Purpose of Transaction

The Reporting Persons acquired the shares of Common Stock reported herein based on the Reporting Persons' belief that such shares represent an attractive investment opportunity. However, the Reporting Persons intend to engage in discussions with the Board of Directors of the Issuer (the "Board") regarding the composition of the Board and strategies to enhance shareholder value. The Reporting Persons may also engage in discussions with the Board and/or members of the Issuer's management team concerning, without limitation, the performance of management, potential business combinations and strategic alternatives, the business, operations, capital structure, governance, management, strategy and other matters concerning the Issuer.

On January 14, 2014, the Reporting Persons delivered to the Board of Directors of the Issuer a copy of the letter attached hereto as Exhibit 7.1, the contents of which are incorporated herein.

The Reporting Persons also may consider, formulate, discuss and seek to cause the Issuer to implement various plans or proposals intended to enhance the value of their current or future investment in the Issuer, enhance stockholder value or enhance the value of the Issuer's assets, including plans or proposals that may involve extraordinary matters relating to the Issuer. Any such action may be taken or advocated by the Reporting Persons alone or in conjunction with other shareholders, potential acquirers, financing sources and/or other third parties, and could include one or more purposes, plans or proposals that relate to or would result in any of the transactions, matters or effects enumerated in Items 4(a) through (j) of Schedule 13D.

The Reporting Persons review their holdings in the Issuer on a continuing basis and as part of this ongoing review, evaluate various alternatives that are or may become available with respect to the Issuer and its securities. Loans of portfolio securities typically would obligate the borrower to return the securities, or an equal amount of securities of the same class, to the lender and may provide that the borrower is entitled to exercise voting rights and retain dividends during the term of the loan. From time to time, to the extent permitted by applicable law, the Reporting Persons or entities to which they provide investment advice may borrow securities, including shares of Common Stock, for the purpose of effecting, and may effect, short sale transactions, and may purchase securities for the purpose of closing out short sale positions in such securities.

The information set forth in this Item 4 is subject to change, and there can be no assurances that the discussions or activities described in this Item 4 will continue or occur or that any of the Reporting Persons will or will not take, or cause to be taken, any of the actions described above or any similar actions.

(a) and (b) See Items 7-11 of the cover pages and Item 2 above.

Pursuant to Rule 13d-4, each of the Reporting Persons expressly declares that this Schedule 13D and any amendments hereto shall not be construed as an admission that such Reporting Person is, for the purposes of Section 13(d) or 13(g) of the Securities Exchange Act of 1934, as amended, the beneficial owner of any securities reported herein, except to the extent that such Reporting Person owns such shares.

Attention: Board of Directors

Gentlemen:

As of the date hereof, DG Capital Management, LLC owns 1,028,591 shares of the common stock of PTGi Holding, Inc. (the "Company"), which makes us one of the three largest shareholders of the Company according to public filings.

We believe PTGi Holdings stock represents an attractive investment, and significantly more value can be generated for shareholders by operating the Company as opposed to liquidating it. Given our ownership position, we would like to meet with representatives of the Company to discuss strategies to enhance shareholder value. Additionally, we would like to make changes to the composition of the board of directors of the Company so that one of the five members of the board is an individual identified by us. We request that the Company withdraw its Form 15 filed with the Securities and Exchange Commission and not declare or pay any dividend or distribution on the Company's stock pending the changes to the board of directors outlined above.

Please contact me at 646-942-5701 at your earliest convenience so that we may discuss the foregoing and our thoughts on how PTGi can create shareholder value.

Very truly yours,

/s/ Dov Gertzulin
