Item 2.01. Completion of Acquisition or Disposition of Assets.

On October 7, 2014, HC2 Holdings, Inc. (the "Company") completed the acquisition of 733,634 shares (the "Shares") of common stock of Schuff International, Inc. ("Schuff"), the largest steel fabrication and erection company in the United States, pursuant to its previously announced tender offer (the "Offer") for all of the outstanding shares of common stock of Schuff, excluding shares that the Company already owned prior to the commencement of the Offer. The purchase price (the "Offer Price") for the Shares was \$31.50 per Share, net to the holder thereof in cash, without interest thereon and subject to any required tax withholding, or aggregate consideration of approximately \$23.1 million. The acquisition of the Shares was funded with proceeds from borrowings under the credit facility entered into on September 22, 2014.

Prior to the commencement of the Offer, the Company owned 70% of the outstanding common stock of Schuff, and following the consummation of the Offer the Company owns 89% of the outstanding common stock of Schuff. The Company intends to make further purchases of shares of common stock of Schuff from time to time in the open market or privately negotiated transactions and when its ownership in Schuff reaches 90% of Schuff's outstanding shares, as a result of any subsequent purchases, it will complete, at no less than the Offer Price, a merger of Schuff with a subsidiary of the Company without a meeting of Schuff's stockholders in accordance with applicable law.

Item 9.01. Financial Statements and Exhibits**(a) Financial Statements of Business Acquired**
