(e)

As part of the Compensation Committee's on-going review of HC2 Holdings, Inc.'s (the "Company") executive compensation arrangements, the Compensation Committee requested and Mr. Falcone agreed to waive and cancel the anti-dilution protection provision contained in his stock option awards granted pursuant to the employment agreement between the Company and Mr. Falcone dated May 21, 2014 (the "Employment Agreement") for all future awards. The anti-dilution protection provision that was cancelled previously provided for the issuance of additional stock options to Mr. Falcone if the Company issued any common stock, as well as warrants, options or convertible securities entitling the holder of such instruments to subscribe for, purchase or otherwise acquire shares of the Company's capital stock if certain conditions were met. The Compensation Committee's request was based, in part, on feedback the Company received from significant stakeholders and is intended to better align Mr. Falcone's compensation, performance and interests with those of the Company's shareholders. In consideration for eliminating the anti-dilution protection provisions, Mr. Falcone will receive an award after market on April 14, 2016, consisting solely of 1,500,000 premium stock options (the "2016 Premium Option") that will be issued under the Company's 2014 Omnibus Equity Award Plan.

The 2016 Premium Option will vest in three equal installments on each of the first three anniversaries following the grant date (with each tranche vesting one-third on each such date), and the applicable per share exercise prices will be as follows: (a) a per share exercise price of \$7.50 with respect to an option to acquire 500,000 shares, which is an 111% premium to our closing stock price on April 14, 2016; (b) a per share exercise price of \$10.50 with respect to an option to acquire 500,000 shares, which is an 196% premium to our closing stock price on April 14, 2016; and (c) a per share exercise price of \$13.50 with respect to an option to acquire 500,000 shares, which is an 280% premium to our closing stock price on April 14, 2016. Under these awards, Mr. Falcone will not realize any value from the applicable portion of the 2016 Premium Option unless there has been at least an 111%, 196%, and 280% increase in our stock price, respectively, from our closing stock price on April 14, 2016. The award agreement evidencing the 2016 Premium Option does not provide for the automatic vesting of the 2016 Premium Option upon a change in control.
